

SSPH HK

TRUCK AND HOOK MOUNTED ASPHALT DUMP HOT BOX

12325 River Road / North Branch MN 55056 ~ P: 651-674-4491 F: 651-674-4221 ~ jason@steppmfg.com ~ joan@steppmfg.com

Stepp's SSPH HK Truck and Hook Mounted hot box are the perfect blend of durability, reliability, and operator simplicity. The SSPH HK takes charge of your demanding road maintenance needs. An optional on-board tack tank system, compactor plate carrier, spoils bin, and air blowout options make this the ultimate patching body. The oil jacketed diesel heating system ensures good quality along with efficiency by evenly heating patch materials.

Stepp Mfg's SSPH HK asphalt pothole patching truck is used to heat and reclaim both hot mix and cold mix materials, and apply them to roads, parking lots, and bridge decks to repair pothole and utility cuts. The Stepp SSPH HK asphalt pothole patching truck is offered with an oil jacketed, diesel fired heating system, and a recirculating exhaust system to create a "Green Friendly" heating system.

Available Sizes...

- SSPH 1.0 Cubic Yards 1.35 Ton Capacity
- SSPH HK 2.0 Cubic Yards 3 Ton Capacity
- SPHD HK 3.0 Cubic Yards 4 Ton Capacity
- SPHD HK 4.0 Cubic Yards 5.4 Ton Capacity
- SPHD HK 5.0 Cubic Yards 6.75 Ton Capacity

Design Benefits...

- Lowest profile on the market
- Dump style hopper with heavy duty double acting scissor truck hoist
- Oil jacketed design to eliminate hot spots, smoothest heating system on the market.
